

## **Olubunmi Afonja, M.D., M.B.B.S.**

Assistant Professor of Pediatrics  
Department of Pediatrics  
New York University School of Medicine

### ***Research Interests***

My major research interests are the identification of retinoid-regulated genes in breast cancer, role of HOXA7 and MEIS1 homeobox genes in acute myeloid leukemia, and characterization of the growth inhibitory effects of histone deacetylase inhibitors and proteasome inhibitors in T-cell leukemia/lymphoma.
